What is The Equal Lens?

THE EQUAL LENS

The Equal Lens is an 8-session guided life skills programme for children aged 5 to 16.

Each session is one hour, once a week, for 8 weeks. Children learn empathy, confidence, body safety, fairness, and emotional intelligence- not through lectures, but through play, stories, and real conversations led by Lensy, their guide through the journey.

Inside One Session

THE EQUAL LENS

60 minutes. No lectures. Every child is engaged from the first minute.

01	**Story time**	A short story opens the session and introduces the theme for the week	**10 min**
02	**Big Question**	Children discuss a real life scenario in small groups — guided conversations	**15 min**
03	**Game or Activity**	A hands-on game, roleplay, or card activity where children learn by doing	**60 min**
04	**Reflect and Share**	Each child shares one thing they are taking home from today	**10 min**
05	**Mission Card**	A small weekly challenge to practise at home with family or friends	**5 min**

Your facilitator receives a complete step-by-step guide before every session.
